

# What are...

# Blanks Level 3 Questions

## What are Blanks Level 3 Questions?

- Questions that ask a child to order and group information and make predictions.
- Questions where the child needs to listen carefully and think about the answer.

## Examples of Blanks Level 3 Questions

<u>Question Types</u>	<u>Question Examples</u>
Telling a story	• What happened?
Giving instructions	• Tell me how you brush your teeth
Following instructions with multiple steps	• Put these pictures in order
Giving examples with extra conditions	• Put the bulb in the top, add soil with the trowel and tap it down
Defining a word	• Bring me a fruit that is not an apple
	• What is a ___?

## How to help a child answer Blanks Level 3 Questions

- Show the child or demonstrate what would happen
- Start the sentence for the child to finish
- Break the question down into parts
- Modelling similar or alternative answers (“a banana is a fruit that is not an apple, what else?”)
