

Why do we Communicate?

To tell others our choices...

"I want a red apple"

To agree or reject

"yes / no"

To comment...

"I like this"

To take turns...

"My turn"

To request...

"I want this"

To describe...

"The monster
is green and
big"

To direct...

"You build"

To respond to questions...

"I went to the shops"

To ask questions...

"Where did you
go?"
