

What is Word Aware?

Word Aware supports children to:

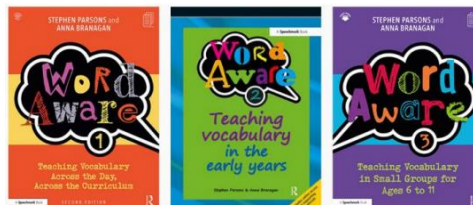

- Define new words by talking about the words features and its meaning.
- Recall new pre-taught vocabulary within lessons.
- Learn word learning strategies
- Use new pre-taught vocabulary within sentences in context.

Key Information:

- **Who is it for?** Children aged 5-11.
- **How many children can be in a group?** 3-5 children.
- **How long is a group?** 20 minutes Weekly over a 6-week period.
- Word Aware follows the STAR Approach:
 - Select – Words to Teach
 - Teach – Words with Word Webs
 - Activate – Words in Learning
 - Review – Revise Words
- Pre-teaching of vocabulary should occur in small groups with words activated and reviewed within whole class lessons.

What do I need?
