

**CLCH Speech and Language Therapy Service – Mainstream Schools
Learning Workshops Summer Term 2024**

Hello,

Here is the programme of Learning Workshops offered by the Speech and Language Therapy – Mainstream Schools Teams - Biborough (RBKC and Westminster) and H&F.

To book a place on the Learning Workshops please go to the website: www.services2schools.org.uk

Please read the ‘course outline’ and ‘audience’ information to ensure that the course will meet your learning needs. Please note that some courses are more suitable for teachers to attend and we have made these after school. All workshops will be delivered remotely using Microsoft Teams. If you require multiple places on the courses, please consider in-house training by speaking with your allocated SLT regarding using your allocated universal/ targeted sessions or by contacting the Biborough Inclusion Service <https://www.qe2cp.westminster.sch.uk/page/?title=Bi%2DBorough+Inclusion+Service&pid=7> (Biborough) or accessing support from the joint communication team (H&F). **Please ensure you enter the email address(es) correctly of the delegate(s) who will be attending when booking.** It is important that we have this information so that we can send the slides/ resources to you after the workshop, offer further support and collate feedback accurately. Bookings will close 1 week prior to the course. The link will be sent to registered delegates 2-7 days before the meeting. If you have not received the link, please contact the admin hub on: 020 7266 8777 at least 1 day before the workshop. **If you are unable to attend a workshop which you have booked, please cancel directly on the website or by replying to the email containing the link. Please note, last term only 68% of delegates who booked places for workshops attended. Many of these courses had long waiting lists, so these places were lost because the places were not cancelled.** We look forward to seeing you at our workshops.
