

Listening Check

Are you ready to learn?

Are you making sure you're not
distracting anyone?

Are you able to focus on your learning?

What do you want to know more about?
Would you like to share an idea or
opinion?

Do you understand what you are
listening to?

Ask for help:

"Can you say it bit by bit?"

"Can you say that using different words?"

"Can you give me some more information?"
